Volunteer Descriptions

Volunteer Food Packer

Volunteers help provide food to local residents by participating in a production line style of packing. Volunteers pack approximately 20 food items into 2 to 3 grocery bags to be distributed to pantry recipients. Volunteers must have the ability to lift 5-10 lbs and the ability to move boxes of food. Volunteers must have good communication and personal skills.

Volunteer Pantry Coordinator

The Volunteer Food Pantry Coordinator works with the Food Distribution Network Coordinator to manage pantry operations. The Pantry Coordinator must be present at the time of food distributions. Volunteers must have good communication and personal skills.

Food Pantry Sign-Up Volunteer

The Food Pantry Sign-Up Volunteer helps local residents complete applications for food pantry assistance. Food pantry clients must meet certain guidelines in order to be eligible to receive food from the pantry. Volunteers must have good communication and personal skills.
