The Little Things We Forget Mean So Much

Many of us take for granted the little things we use on a daily basis. We don't think about not being able to wash our faces, brush our teeth, comb our hair, or even have toilet paper to use in the bathroom because we make sure our homes are stocked with such supplies. Many people, especially in Schuylkill County, barely have enough money to buy food, pay for their rent and electric, so many households go without personal hygiene products, paper products, cleaning products, etc. We all see people using their ACCESS (food stamp) cards when they are at the grocery store, but did you also know that these people cannot buy toilet paper, laundry detergent, soap, deodorant, or toothpaste with the ACCESS card. The ACCESS card is for food only and nothing non-edible can be bought with the money on that card. Can you imagine not having shampoo and conditioner or a tissue? Schuylkill Community Action has long been a providing food to meet the needs of those who need it with running 18 food pantries throughout Schuylkill County and an emergency food pantry located in our office at 225 N Centre St. Pottsville. Now we are asking for help from the community with providing items that people need and that food stamps does not allow to be purchased. Below is a list of such items that we are in need of. Kindly drop off donations to Case Manager Megan Chaklos in our 225 N. Centre St. Pottsville office Monday through Friday 8 am to 3:30 pm. If you have any questions, or have a donation but are unable to get to our office please call (570) 622-1995 and ask to speak to Megan. Thank you so very much for helping us help those in need! Together we can make it better for our fellow Schuylkill County citizens.
