6. Review the terms of the OnTrack Program

As a participant in PPL Electric Utilities' OnTrack Program, I agree to the Program conditions as listed below. Failure to agree or follow through on any of the accepted conditions may result in removal from the Program. If you currently have an electric supplier, you will be required to cancel your contract with the supplier to qualify for OnTrack.

- Provide my household gross income at time of submitting my OnTrack application and recertify this information at least once yearly, unless I receive an energy assistance grant which is posted to PPL Electric.
- Notify PPL Electric immediately of any changes to my household size or income.
- If eligible, apply for any free weatherization service including PPL Electric's WRAP Program and my local county weatherization program.
- I confirm that the facts set forth in my OnTrack application are true and complete to the best of my knowledge. I also hereby authorize PPL Electric to further verify my household income, as it deems appropriate. I understand, agree, and accept that false or knowingly incomplete statements on my OnTrack application will be cause for rejecting my application or removal from the Program.

7. Security deposit refund consent request

Once we confirm you are income-eligible, if you have paid some or all of a security deposit billed to your account, you may choose to have it refunded to you or apply it to your account balance.

If you apply the deposit to your balance, it will not change the way we calculate your monthly OnTrack payment (if you are approved). Your decision does not affect your eligibility for our assistance programs.
